

Greek Root hydro

hydro = water

I can use hydro to understand words about water.

Today I am learning to:

understand the root

build root-family words

match words to meanings

use words in context

1 Discover the Meaning

The Greek root hydro means water. Look for water, water systems, or movement of water.

hydrate
to give the body water

hydration
the process of taking in water

hydrology
the study of water on Earth

hydroelectric
made using moving water

hydroponics
growing plants in water

hydrosphere
all water on and around Earth

2 Complete the Words

Write hydro to complete each word.

1. ____logy (study of water)

2. ____electric (power from water)

3. ____ponics (plants grown in water)

4. ____sphere (Earth's water)

5. ____therapy (water treatment)

6. ____plane (lands on water)

3 Choose the Meaning

1. **hydrology**

■ study of water

■ study of sound

2. **hydroelectric**

■ power from water

■ power from wind

3. **hydroponics**

■ plants in water

■ plants in sand

4. **hydrosphere**

■ Earth's water

■ Earth's rocks

5. **hydrotherapy**

■ treatment using water

■ treatment using light

6. **hydroplane**

■ water-landing aircraft

■ underground train

4 Match Word to Picture

hydrate

hydrology

hydroelectric

hydroponics

hydrosphere

hydroplane

5 Use the Words

hydrate • hydrology • hydroelectric • hydroponics • hydrosphere • hydroplane

1. We drink water to _____ our bodies.

2. _____ is the study of water on Earth.

3. The dam makes _____ power.
