

Sort and Group Familiar Information

STA KEE Step 1

★ I can sort and group things that are the same.

1 Let's Look

Sort the pictures into two groups. Cut and glue or draw each picture in the correct box.

FRUIT

TOYS

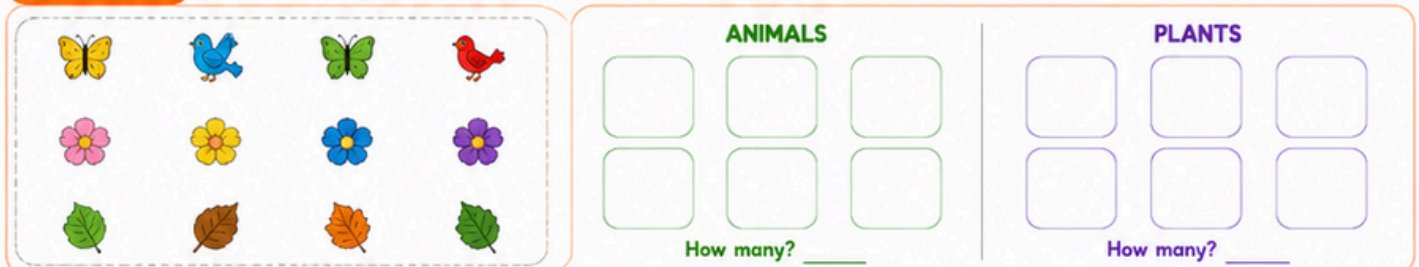

2 Let's Try

Circle the two things in each row that belong together.

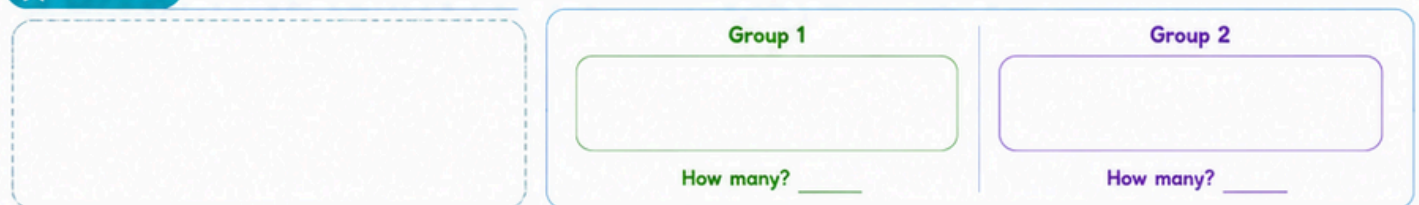

3 Let's Sort

Sort the pictures into the groups. Write how many in each group.

4. Challenge

Choose your own sorting rule. Draw or cut and paste the pictures into your groups.

My Learning Check

How did I go today?

I can do it!

Almost there!

I need more help.

This was hard.

Circle a face.

Parent Observation (optional)

Tick what you saw today.

- ☐ Sorted familiar items into groups
- ☐ Explained a simple sorting rule
- ☐ Noticed things that are the same or different
- ☐ Worked carefully
- ☐ Needed support
