

Compare Categories and Describe Trends

SDA EE Step 6

★ I can compare information and describe what is happening over time.

1 Let's Look

Look at the chart. It shows the number of books borrowed each day.

Talk About It

- Which day had the most books borrowed?
- Which day had the least?
- What happened from Monday to Wednesday?
- What happened from Wednesday to Friday?
- On which two days were the numbers the same?

Talk Words

most – the greatest amount
least – the smallest amount
increased – went up
decreased – went down
the same – equal

2 Let's Try

Look at the data and answer the questions.

A. Favourite Sport

Sport	Number of students
Soccer	
Basketball	
Netball	
Swimming	
Tennis	

B. Favourite Fruit

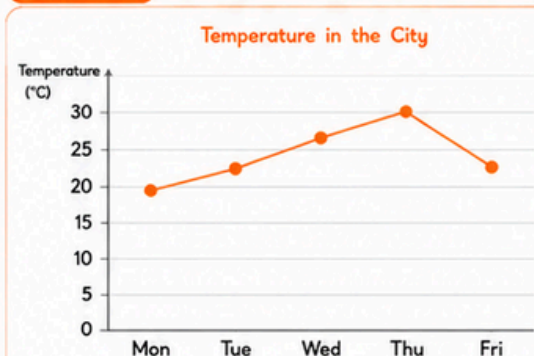

Apple	
Banana	
Grapes	
Orange	

Key: = 1 student

- Which sport is the most popular? _____
- Which sport is the least popular? _____
- How many students like basketball? _____
- How many more students like soccer than netball? _____
- Which fruit is the most popular? _____
- Which fruit is the least popular? _____
- How many students like bananas? _____
- Which two fruits have the same number of students? _____
- What is the total number of students in each survey?
Sports: _____ Fruits: _____

3 Let's Do

Look at the line graph and answer the questions.

- What was the temperature on Monday? _____ °C
- On which day was it the warmest? _____
- On which day was it the coolest? _____
- Describe the change in temperature from Monday to Thursday.

- What happened to the temperature from Thursday to Friday?

- Was the temperature generally increasing or decreasing over the week? _____

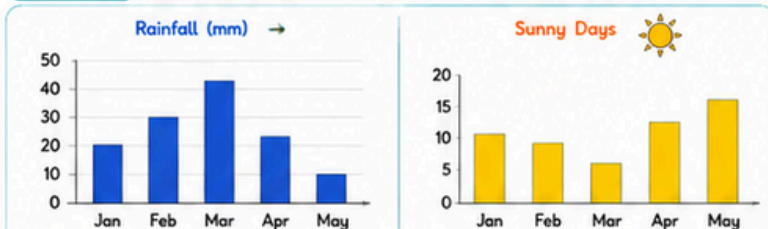

Talk About It

- What trend can you see in the temperatures?
- Why do you think the temperature went down at the end?
- How could we use this information?

4 Challenge

Compare the two charts and write 3 sentences about the information.

- _____
- _____
- _____

My Learning Check

How did I go today?

I can do it!

Almost there!

I need more help.

This was hard.

Circle a face.

Parent Observation (optional)

Tick what you saw today.

- ☐ Compared categories using graphs and charts
- ☐ Described trends (increasing, decreasing, same)
- ☐ Used key words correctly
- ☐ Answered questions using data
- ☐ Needed support

Notes: _____

Plan

Capture

Grow
