

Initial Consonant Blends

I can read and spell words that begin with consonant blends.

Today I am learning to:

- ☐ hear both sounds in a blend
- ☐ read common starting blends
- ☐ build words with blends
- ☐ use blend words in context

1 Meet the Blends

In a consonant blend, you can hear both consonant sounds. Say each group and read the examples.

l-blends

bl cl fl pl

blue • clap • flag • plan

r-blends

br cr dr gr

tr

brick • crab • drum • grin • trip

s-blends

st sp sn sw

stop • spin • snap • swim

2 Build the Word

Join the starting blend to the rest of the word. Read it, then write the whole word.

fl

+ ag =

gr

+ in =

st

+ op =

pl

+ an =

tr

+ ip =

sn

+ ap =

3 Read and Sort

Cut and stick, or write each word under its blend family.

l-blends

r-blends

s-blends

flag

clap

plan

frog

drum

trip

stop

spin

snap

4 Read and Notice

Read the short passage. Circle words that begin with a consonant blend.

Brad and Fran **plan** a **trip** to the spring fair. They bring a **flag** and a small **drum**. At the gate, they **stop** by a craft stall. Fran spots a green **frog** near the grass. Brad slips on a wet step but **grins**. They **clap** when a band starts to play.

Word detective: Find one l-blend word, one r-blend word and one s-blend word. Say both consonant sounds.

5 Use the Words

Choose a word from the box to complete each sentence.

flag

frog

stop

plan

trip

clap

1. We made a _____ for the day.

2. The green _____ jumped away.

3. Please _____ at the gate.

4. We will _____ when the song ends.

★ Challenge!

Write one more word with each blend family: l-blend _____ r-blend _____ s-blend _____

You did it!

I can read and spell words with initial consonant blends.
