

Common Vowel Teams

I can read and spell words with common vowel teams.

Today I am learning to:

- ☐ spot two-letter vowel teams
- ☐ hear their long vowel sounds
- ☐ build words with vowel teams
- ☐ read the teams in context

1 Meet the Vowel Teams

Two vowels can work together to show one long vowel sound. Read each pair and the example words.

ai / ay

rain

play

These teams can show the long a sound.

ee / ea

feet

team

These teams can show the long e sound.

oa / ow

boat

snow

In these words, the teams show the long o sound.

2 Build the Word

Add the vowel team. Read the word, then write the whole word.

t__m

3 Read and Sort

Sort each word by its long vowel sound. Notice which vowel team it uses.

long a

long e

long o

mail

day

green

beach

road

grow

4 Read and Notice

Read the passage. Circle words with ai, ay, ee, ea, oa or ow.

On a sunny **day**, Ben took a **train** to the coast. He could see a **green** tree near the **beach**. A small **boat** moved beside the **road**. Ben and his family **played** near the water. Later, the wind grew cold and soft **snow** began to fall. They headed home before the sky became grey.

Word detective: Find one long-a team word, one long-e team word and one long-o team word. Underline the two letters that work together.

5 Use the Words

Choose a word from the box to complete each sentence.
