

Use halves in simple real-world situations

Look carefully. Think about halves in everyday life.
Show your work by colouring, drawing, or writing.

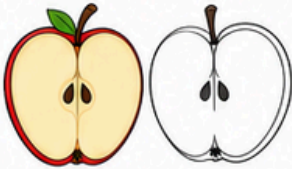

Step 2

Kindergarten /
Early Elementary

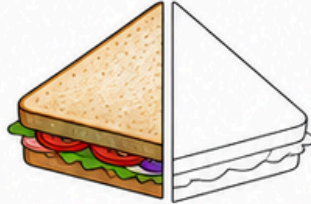

★ Today I am learning to use halves in simple real-world situations.

1. Find the Half Colour the half that is shown in each picture.

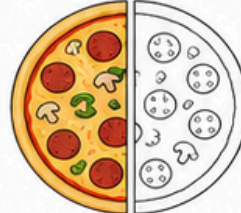

a) Half an apple

b) Half a sandwich

c) Half a pizza

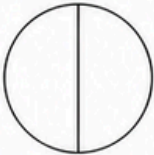

d) Half a chocolate bar

2. Colour One Half Colour one half of each shape.

a)

b)

c)

d)

3. Real-Life Halves Read each situation. Draw or write how the items are shared equally (halves).

a) Two children share one sandwich.

b) Two friends share 6 strawberries.

c) Half of 8 cookies. Show how many is one half.

4. Circle the Pictures That Show Halves

Circle the pictures that are cut or shared into two equal parts (halves).

a)

b)

c)

d)

e)

f)

5. Draw the Other Half Complete each picture by drawing the other half to make it whole.

a)

b)

c)

d)

6. Think and Answer Answer the questions.

- What does "half" mean? _____
- Give an example of something you see that is cut or shared in half. _____
- Where do you see halves in your home or at school? _____

I can...

- ☆ recognise and colour one half.
- ☆ use halves in sharing situations.
- ☆ identify when objects are shared into two equal parts.
