

Measure with informal and early standard units

Name: _____

Date: _____

Step 3

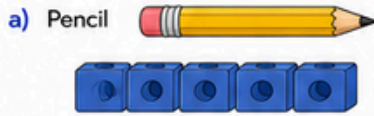

Early Elementary

I am learning to measure using informal units and early standard units.

1. Measure with Blocks

Count the blocks.

The pencil is:
_____ blocks long

The crayon is:
_____ blocks long

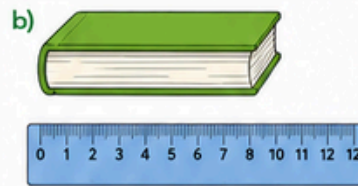

The book is:
_____ blocks long

2. Which Is Longer?

Measure and compare.

Pencil = _____ blocks
Crayon = _____ blocks
Circle:
☐ Pencil ☐ Crayon

Book = _____ blocks
Ruler = _____ blocks
Circle:
☐ Book ☐ Ruler

3. Measure with Paperclips

Count the paperclips.

Length:
_____ paperclips

Length:
_____ paperclips

Length:
_____ paperclips

4. Measure with Centimetres

Look at the ruler.

5. Informal or Standard?

Circle the correct answer.

- a) Blocks  ☐ Informal ☐ Standard
- b) Paperclips  ☐ Informal ☐ Standard
- c) Centimetres  ☐ Informal ☐ Standard
- d) A ruler  ☐ Informal ☐ Standard

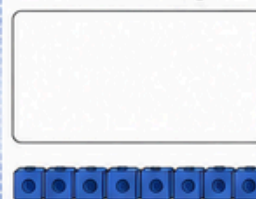

6. Draw and Measure

Draw lines using blocks.

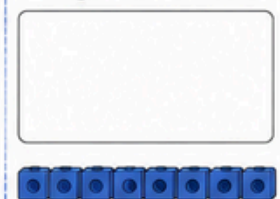

- a) A line
5 blocks long

- b) A line
8 blocks long

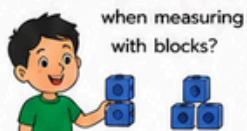

- c) A line
longer than 8 blocks

7. Think and Talk

Write or draw your answer.

- a) Why might two people
get different answers

- b) Why do we
use centimetres?

- c) What have you
measured before?

I can...

- ☐ measure using informal units.
☐ measure using centimetres.
☐ compare and describe length.

Measurement Words

longer shorter longer than shorter than
taller shorter heavier lighter
measure unit centimetre (cm)

Great Job!

You are becoming
a great measurer!
