Name: _____

Date: _____

Recognise Money and Simple Exchange in Play

Step 1

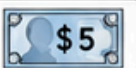

Kindergarten /
Early Elementary

Today I am learning to recognise money
and use it in play when I buy, pay or exchange.

1. Match the Money to the Price

Draw a line to match each price tag with the correct money.

	\$1	•	•	 
	\$2	•	•	
	\$5	•	•	 
	\$3	•	•	
	\$1	•	•	

2. Pretend Shop

You are at a toy shop. Look at the prices.
Circle the items you would like to buy.

			
\$1	\$2	\$3	\$5
			
\$4	\$3	\$2	\$4

What did you choose?

How much will it cost?

\$ _____

3. How Will You Use the Money?

Look at each picture. Circle what you will do.

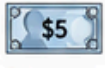

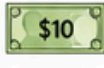

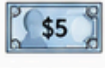

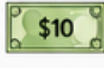

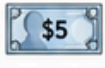

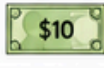

a) 	buy	pay	swap
b) 	buy	pay	swap
c) 	buy	pay	swap

Buy = get something by giving money
Pay = give money for something
Swap = trade one thing for another

4. Choose the Money to Pay

Circle the money you would give to pay for each item.

a) 	\$2	   
b) 	\$1	   
c) 	\$3	   
d) 	\$5	   

5. Simple Exchange in Play

Look at the picture. Draw what could be swapped.

They could swap for... 

Write a sentence about the swap.

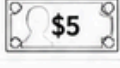

6. Draw Your Shop

Draw items in your shop. Add price tags.

7. Money Words

Read the words. Colour the pictures.

	coin	
	note	
	price	
	wallet	

Learning Check

Colour the face that shows how you went.

I get it!

I'm getting there.

I need more help.

Parent / Teacher Observation

Your child can:

- ☐ Recognise coins and notes.
- ☐ Match money to simple prices.
- ☐ Use money in play to buy, pay or swap.
- ☐ Talk about what they have chosen.

Notes: _____

Great work!

You are learning
about money and
making great choices!

Remember!
Money helps us:

buy things

pay for things

save for things

Money Words

coin note price pay
buy swap wallet save

Well done!

You are becoming a
money smart learner!
