

Read and Discuss Simple Graphs

SDA EE Step 4

★ I can read simple graphs and talk about what they show.

1 Let's Look

A class asked: "What is your favourite colour?"
Here is the graph of their answers.

Key:  = 1 child

Talk About It

- Which colour do the most children like?
- Which colour do the least children like?
- How many children like blue?
- How many children were asked in all?

Look at the graph and talk about what it shows.

2 Let's Try

Read the graph and answer the questions.

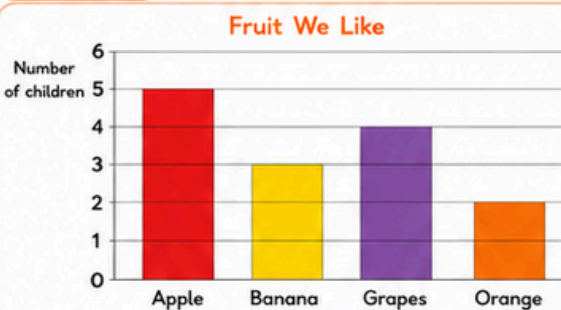

Key:  = 1 child

- Which pet do the most children like? _____
- Which pet do the least children like? _____
- How many children like cats? _____
- How many children like fish? _____
- How many children were asked in all? _____
- How many more children like dogs than birds? _____

3 Let's Do

Look at the bar graph and answer the questions.

- Which fruit do the most children like? _____
- Which fruit do the least children like? _____
- How many children like bananas? _____
- How many children like grapes? _____
- How many children like apples and oranges together? _____
- How many children were asked in all? _____

Talk About It

- What does this graph tell us?
- Why do you think more children like apples than oranges?
- What other question could we ask the class?

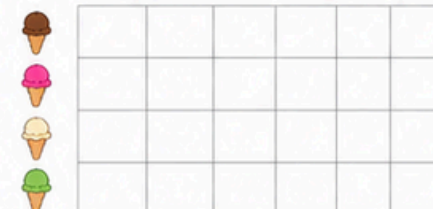

4 Challenge

Create and read your own simple graph.

- Ask 6 friends: "What is your favourite ice cream flavour?"
Record the answers using tally marks.

Ice cream flavour	Tally
Chocolate	
Strawberry	
Vanilla	
Mint	

- Make a simple graph to show your answers.

Key:  = 1 friend

- Answer the questions.

- Which flavour did the most friends choose? _____
- Which flavour did the least friends choose? _____
- How many friends were asked in all? _____

My Learning Check

How did I go today?

I can do it!

Almost there!

I need more help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Read picture and bar graphs
- ☐ Answered questions about most, least and same
- ☐ Discussed what the graph shows
- ☐ Used number information correctly
- ☐ Needed support
