

Notice equivalent fractions and order familiar amounts

Look carefully. Think about parts of a whole.
Show your work by colouring, drawing, or writing.

Step 6

Kindergarten /
Early Elementary

★ Today I am learning to notice equivalent fractions and order familiar amounts.

1. Same Amount, Different Picture

Match the pictures that show the same amount.

1 $\frac{1}{2}$ of the pizza

•

•

A

$\frac{2}{4}$ of the pizza

2 $\frac{1}{2}$ of the chocolate bar

•

•

B

$\frac{2}{4}$ of the chocolate bar

3 One half of the circle

•

•

C

Two quarters of the circle

2. Colour the Same Amount

Colour the shapes to show the fraction.

a) Colour $\frac{1}{2}$ of the rectangle.

Colour $\frac{2}{4}$ of the rectangle.

Do they cover the same amount? Yes ☐ No ☐

b) Colour $\frac{1}{2}$ of the circle.

Colour $\frac{2}{4}$ of the circle.

Do they cover the same amount? Yes ☐ No ☐

3. Circle the Equal Fractions

Circle the pairs that show the same amount.

a) $\frac{1}{2}$

$\frac{2}{4}$

b) $\frac{1}{4}$

$\frac{3}{4}$

c) $\frac{2}{4}$

$\frac{1}{2}$

d) $\frac{1}{4}$

$\frac{1}{2}$

Fractions that show the same amount are called EQUIVALENT FRACTIONS.

4. Put in Order

Write the fractions in order from smallest to largest.

a)

_____ < _____ < _____

b)

_____ < _____ < _____

c)

_____ < _____ < _____

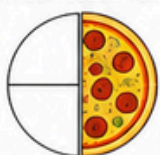

5. Real-Life Fractions

Solve each problem.

a) A pizza has 4 equal slices.

1 slice is eaten.

What fraction remains?

- ☐ $\frac{1}{4}$
☐ $\frac{2}{4}$
☐ $\frac{3}{4}$

b) A chocolate bar has 8 pieces.

4 pieces remain.

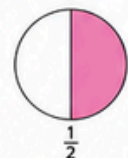

Colour the remaining pieces.

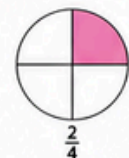

What fraction remains? _____

c) Two pictures show a cake.

Compare the amounts.

$\frac{1}{2}$

$\frac{2}{4}$

Circle: Same amount ☐ Different amount ☐

6. Think and Answer

Answer the questions.

- a) Which is bigger: $\frac{1}{4}$ or $\frac{1}{2}$? _____
b) Which is smaller: $\frac{1}{2}$ or $\frac{3}{4}$? _____
c) Can $\frac{1}{2}$ and $\frac{2}{4}$ be the same amount? Yes ☐ No ☐
How do you know? _____

I can...

- find equivalent fractions.
- order fractions from smallest to largest.
- use pictures to help me compare.
