

Understand that ten ones make one ten

Step 14

Today I am learning that ten ones make one ten.

1. Count and Group

Count the ones. Circle groups of 10. Write how many tens and ones.

a. 
 ten and ones.

b. 
 tens and ones.

c. 
 ten and ones.

d. 
 tens and ones.

2. Make a Ten

Draw more ones to make 10. Then write the number of tens and ones.

a. 
 ten and ones.

b. 
 ten and ones.

c. 
 ten and ones.

d. 
 ten and ones.

3. Show It

Complete the number sentence to show ten ones make one ten.

a.  = 
 10 ones = ten

b.  = 
 10 ones = ten

c.  = 
 10 ones = ten

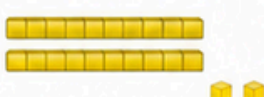

d.  = 
 10 ones = ten

4. Think and Write

Look at the pictures. Write how many tens and ones.

a. 
 tens and ones.

b. 
 ten and ones.

c. 
 tens and ones.

d. 
 ten and ones.

My Learning Check

How did I go today?

I can do it!

Almost there!

I needed help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Understands that 10 ones make 1 ten
- ☐ Groups ones correctly
- ☐ Writes the number of tens and ones
- ☐ Shows confidence
- ☐ Needed support
