

Follow and Create Simple Routes or Arrangements

Today I am learning to follow and create simple routes and arrangements.

Step 4

Kindergarten /
Early Elementary

1. Follow the Route

a) Start at the house.

- right
- right
- ↑ up

Where do you finish?

- Tree
- Park
- School

b) Start at the car.

- ↑ up
- right
- right

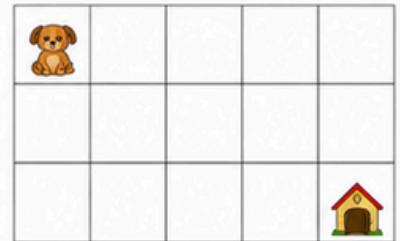

Where do you finish?

- Shop
- Playground
- Library

2. Draw the Route

a) Start at the dog.

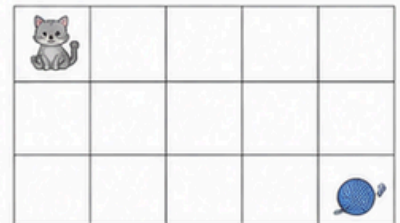

- right
- ↑ up
- right

Finish at: _____

b) Start at the cat.

- ↓ down
- right
- right

Finish at: _____

3. Which Route Is Correct?

Look at the directions. Circle the correct route.

a) Right, Right, Up

b) Up, Right, Down

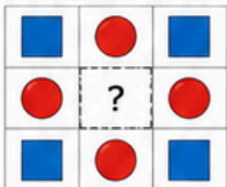

c) Left, Up, Up

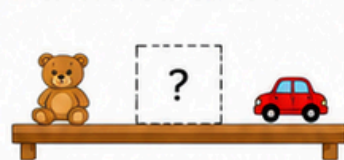

5. Complete the Arrangement

a) Draw the missing object.

b) Complete the toy arrangement.

7. Create Your Own Arrangement

Use these shapes to create a pattern arrangement.

square triangle circle

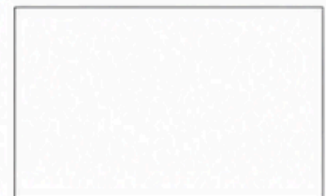

4. Build the Arrangement

a) Copy the picture.

b) Copy the toy arrangement.

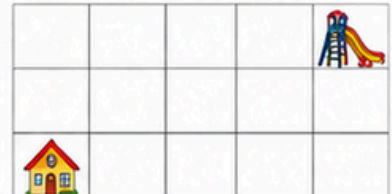

6. Create Your Own Route

Start at the house.

Use at least:

- 2 right moves
- 1 up move

8. Think and Talk

a) Why are routes useful?

b) How do maps help us?

c) What was easy or hard about following directions?

I can...

- ☐ follow simple routes.
- ☐ create my own routes.
- ☐ copy and create arrangements.
- ☐ use position words.

Direction Words

Position Words

Great job!

You are a
route and
arrangement star!
