

Latin Root struct

I can use struct to understand words about building and putting parts together.

Today I am learning to:

- ☐ understand the root
- ☐ build root-family words
- ☐ match words to meanings
- ☐ use the words in context

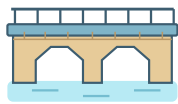

1 Discover the Meaning

The Latin root struct means build.
Look for what is built, rebuilt or put together.

construct

to build by
putting parts
together

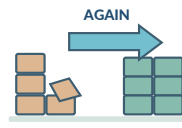

structure

something built
from parts
joined together

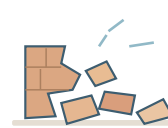

construction

the process
of building
something

reconstruct

to build
something
again

destruction

damage that
ruins or destroys
something

infrastructure

systems like
roads, bridges
and water pipes

2 Complete the Words

Write struct to complete each word.

1. con _____ (build from parts)
2. _____ ure (something built)
3. con _____ ion (the building process)
4. recon _____ (build again)
5. de _____ ion (ruining something)
6. infra _____ ure (roads and pipes)

3 Choose the Meaning

Tick the best meaning for each word.

- | | | |
|--------------------------|---|---|
| 1. construct | ☐ put parts together | ☐ take parts away |
| 2. structure | ☐ a tool for measuring | ☐ something built from parts |
| 3. construction | ☐ the process of building | ☐ the process of counting |
| 4. reconstruct | ☐ build for the first time | ☐ build again |
| 5. destruction | ☐ building something new | ☐ ruining something |
| 6. infrastructure | ☐ roads and water systems | ☐ clouds and rainfall |

4 Match the Word to the Picture

Draw a line from each word to its picture.

construct

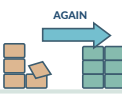

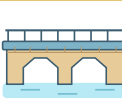

structure

construction

reconstruct

destruction

infrastructure

5 Use the Words

Use each word once to complete the sentences.

construct	structure	construction
reconstruct	destruction	infrastructure

1. We will _____ the fallen wall.
2. Roads and pipes are _____.
3. We will _____ a new tower.
4. The storm left a trail of _____.
5. A bridge is a strong _____.
6. _____ of the new road began.

6 Challenge!

Choose one word. Explain how build helps you understand it. Then draw a matching picture.

Draw your picture here!

You did it!

I can use word parts
to unlock meanings.

struct = build
