

Latin Root terr

I can use terr to understand words about earth and land.

Today I am learning to:

- ☐ understand the root
- ☐ build root-family words
- ☐ match words to meanings
- ☐ use words in context

1 Discover the Meaning

The Latin root terr means earth or land.
Think about the land, its features and what lies beneath it.

terrain

the physical features of an area of land

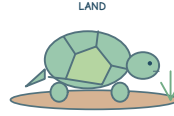

territory

an area of land controlled by a country

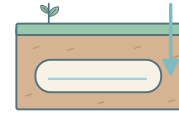

terrarium

a glass container for growing small plants

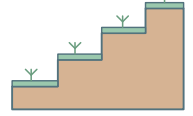

terrestrial

living on land rather than in water

subterranean

found or taking place below the ground

terrace

a flat area made on a hillside

2 Complete the Words

Write terr to complete each word.

- _____ain (features of the land)
- _____itory (land under control)
- _____arium (a glass plant garden)
- _____estrial (living on land)
- sub_____anean (below the ground)
- _____ace (a flat hillside area)

3 Choose the Meaning

Tick the best meaning for each word.
