

Today I am learning to:

- ☐ understand the root
- ☐ build root-family words
- ☐ match words to meanings
- ☐ use words in context

Latin Root loc

I can use loc to understand words about places and positions.

1 Discover the Meaning

The Latin root loc means place.

Think about finding places or moving things from place to place.

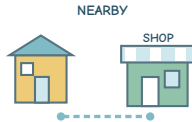

locate

to find the place
where something
is

location

the place where
something is
found

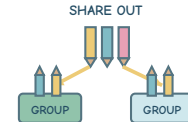

local

belonging to
a nearby area
or community

relocate

to move to
a new place

allocate

to set aside
or share out
for a purpose

locomotive

an engine that
pulls a train
along tracks

2 Complete the Words

Write loc to complete each word.

- _____ate (find where it is)
- _____ation (a place or position)
- _____al (nearby)
- re_____ate (move to a new place)
- al_____ate (set aside or share out)
- _____omotive (a railway engine)

3 Choose the Meaning

Tick the best meaning for each word.

- | | | |
|----------------------|--|---|
| 1. locate | ☐ move to a different place | ☐ find where something is |
| 2. location | ☐ a place or position | ☐ a type of transport |
| 3. local | ☐ from a place far away | ☐ from the nearby area |
| 4. relocate | ☐ move to a new place | ☐ stay in the same place |
| 5. allocate | ☐ assign for a purpose | ☐ keep everything for yourself |
| 6. locomotive | ☐ a boat that crosses the sea | ☐ an engine that pulls a train |

4 Match the Word to the Picture

Draw a line from each word to its picture.

locate

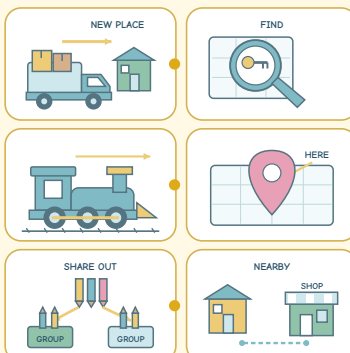

location

local

relocate

allocate

locomotive

5 Use the Words

Use each word once to finish the sentences.

locate
