

# The Prefix mis-

I can add mis- to show something is wrong or incorrect.

Today I am learning to:

- ☐ understand what mis- means
- ☐ add mis- to base words
- ☐ read and use new words
- ☐ use the words in sentences

## 1 Learn the Rule

The prefix mis- often means wrongly, badly or incorrectly. Add mis- to a base word to make a new word with that meaning.

**mis- = wrongly**

spell -> misspell  
spell wrongly

match -> mismatch  
not match correctly

behave -> misbehave  
behave badly

read -> misread  
read incorrectly

## 2 Add mis-

Write the new word.

- |    |            |     |       |                                                                                     |
|----|------------|-----|-------|-------------------------------------------------------------------------------------|
| 1. | spell      | mis | _____ |   |
| 2. | match      | mis | _____ |  |
| 3. | behave     | mis | _____ |  |
| 4. | read       | mis | _____ |  |
| 5. | use        | mis | _____ |  |
| 6. | understand | mis | _____ |  |

## 3 Match the Meaning

Draw a line to match each word with its meaning.

misspell  
mismatch  
misbehave  
misread  
misuse

read incorrectly  
behave badly  
spell wrongly  
use wrongly  
not match correctly

## 4 Choose the Correct Word

Tick the word that makes sense.

- |                                        |                                    |                                 |
|----------------------------------------|------------------------------------|---------------------------------|
| 1. I ____ the word in the question.    | <input type="checkbox"/> misread   | <input type="checkbox"/> read   |
| 2. The socks were a ____ pair.         | <input type="checkbox"/> mismatch  | <input type="checkbox"/> match  |
| 3. Please do not ____ the equipment.   | <input type="checkbox"/> misuse    | <input type="checkbox"/> use    |
| 4. He may ____ if he ignores the rule. | <input type="checkbox"/> misbehave | <input type="checkbox"/> behave |
| 5. I ____ the tricky word.             | <input type="checkbox"/> misspell  | <input type="checkbox"/> spell  |

## 5 Use the Words

Use a mis- word from the bank to complete each sentence.

- I sometimes \_\_\_\_\_ long words.
- I \_\_\_\_\_ the sign and went the wrong way.
- These two socks are a \_\_\_\_\_.
- Please do not \_\_\_\_\_ the scissors.
