

The Suffix -ment

I can add -ment to make a new word.

- Today I am learning to:
- ☐ understand what -ment means
 - ☐ add -ment to base words
 - ☐ read and use new words
 - ☐ use the words in sentences

1 Learn the Rule

The suffix **-ment** means **the result or act of doing something**.

When we add **-ment** to a base word, we make a new noun that names an action, process or result.

-ment = the result or act of doing something

achievement
the result of reaching a goal

development
the process of growing or improving

agreement
the result of coming to a decision

movement
the act of moving

measurement
the act of measuring

improvement
the result of making something better

2 Add -ment

Write the new word.

1. achieve achieve _____

2. develop develop _____

3. agree agree _____

4. move move _____

5. measure measure _____

6. improve improve _____

7. excite excite _____

8. treat treat _____

3 Match the Meaning

Draw a line to match each word with its meaning.

- | | | | |
|-------------|---|---|---------------------------------------|
| achievement | ● | ● | the act of moving |
| development | ● | ● | the result of making something better |
| agreement | ● | ● | the result of reaching a goal |
| movement | ● | ● | the act of measuring |
| measurement | ● | ● | the process of growing or improving |
| improvement | ● | ● | the result of coming to a decision |

4 Choose the Correct Word

Tick (✓) the word that makes sense.

- Her hard work led to an amazing _____. ☐ achievement ☐ agreement
- The new school has made a big _____. ☐ development ☐ measurement
- We need an _____ before we can start. ☐ agreement ☐ achievement
- Regular exercise helps with _____. ☐ movement ☐ improvement
- The _____ shows the length of the table. ☐ measurement ☐ development
- He was very excited about the _____. ☐ excitement ☐ improvement

5 Use the Words

Write a sentence for each picture using a word with **-ment**.

1. _____

2. _____

3. _____

Word Bank

achievement agreement development
improvement measurement movement

Challenge

Choose a base word of your own. Add **-ment** and write a sentence with the new word.

The suffix **-ment** turns a verb into a noun that shows an action or result!
