3 Read and Notice

Read the passage below.

Mia was preparing a project for school. She decided to **reread** her notes to make sure she had the facts right. Then she had to **rewrite** one paragraph because it was not clear. She packed her materials, but later had to **repack** her bag when she found a missing item. The model she made was looking plain, so she chose to **repaint** it with brighter colours. Before presenting, she practised how to **retell** what she had learned, and she even had to **redo** one section when it didn't work well. In the end, she felt proud because her project was much better the second time.
