

MORPHOLOGY & SPELLING

Upper Elementary | Unit 3

Double the Final Consonant

Today I am learning when to **double the final consonant** before adding a suffix.

1 Learn the Rule

For many one-syllable base words with a **short vowel** before the final consonant, double the last consonant before adding a vowel suffix.

hop + ing = hopping **run + ing** = running
plan + ed = planned **big + er** = bigger

2 Build the Word

Double the last consonant, then add the suffix.

Base word	Add suffix	New word	What changed?
hop	-ing	_____	_____
run	-ing	_____	_____
plan	-ed	_____	_____
big	-er	_____	_____
hot	-est	_____	_____

3 Read and Notice

Read the passage below.

On Saturday, Noah and Priya **planned** a backyard obstacle challenge for their cousins. They began by **running** between cones and **hopping** over chalk lines. Priya **grabbed** a timer while Noah **clapped** to start each race. When one marker fell over, they **stopped** to fix it before anyone **slipped**. Next, Noah made a **bigger** jump using two cushions and started **jogging** towards it. Priya was **winning** the points round until she **dropped** a beanbag beside the target. Everyone laughed, then kept **running**, **hopping** and trying again. By the end, the cousins were tired but proud. They had **planned** a simple game, yet it turned into the best part of the afternoon.

Find and highlight words where the **final consonant** was doubled.

4 Word Detective

Choose one doubled word from the passage and investigate how it was built.

- Write one doubled word from the passage.

- What is its base word?

- Which suffix was added?

- Show the word sum: base + suffix -> new word.

5 Sort the Words

Sort the words into the correct group.

running hopping planned reading helping snowing
