MATHEMATICS

Continue growing patterns and describe the change

Name: _____

Date: _____

Step 3

Kindergarten /
Early Elementary

Today I am learning to continue growing patterns and describe the change.

1. What Comes Next?

Look at the growing pattern. Draw the next picture.

a)

b)

c)

2. Continue the Growing Pattern

Draw the next two groups.

a)

b)

c)

3. Describe the Change

What is happening each time?

a) The pattern grows by:
☐ 1 ☐ 2 ☐ 3

b) The pattern grows by:
☐ 1 ☐ 2 ☐ 3

c) The pattern grows by:
☐ 1 ☐ 2 ☐ 3

4. Build the Pattern

Draw the next group.

a) 2 counters 4 counters 6 counters 8 counters

b) 1 triangle 3 triangles 5 triangles 7 triangles

5. Which Pattern Grows Faster?

Pattern A

Pattern B

Circle: ☐ Pattern A ☐ Pattern B

Explain: _____

6. Make Your Own Growing Pattern

Start your own pattern.

Group 1 → Group 2 → Group 3 → Group 4

What changes each time?

7. Think and Talk

a) What does a growing pattern do?

b) How can you tell what comes next?

c) Where have you seen a growing pattern?

I can...

- ☐ continue growing patterns.
- ☐ describe how the pattern changes.
- ☐ explain the change in the pattern.

My Learning Goal

I can continue growing patterns and describe the change.
