

Plan Simple Budgets and Spending Choices

Step 5

Early Elementary

Today I am learning to plan simple budgets and make smart spending choices.

1. What Do You Have?

Count the money. Write how much you have.

a) \$ _____

b) \$ _____

c) \$ _____

d) \$ _____

2. What Do You Want to Buy?

Look at the prices. Choose two things you would like to buy.

\$7	\$6	\$8
\$10	\$12	\$3
\$9	\$2	\$4

I choose: _____ and _____

3. Can You Afford It?

You have \$15. Tick (✓) the things you can afford.

\$12 ☐	\$9 ☐	\$3 ☐
\$10 ☐	\$2 ☐	\$7 ☐

Which two things could you buy?
_____ and _____

How much money would you have left? \$ _____

4. Plan Your Spending

You have \$20 to spend. Choose items and write how much they cost. Make sure you do not spend more than \$20.

Book	\$6
Lego Set	\$12
Cap	\$4
Paint Set	\$7
Ball	\$5
Water Bottle	\$2
Board Game	\$11

My Choices	Cost
1. _____	\$ _____
2. _____	\$ _____
3. _____	\$ _____
Total	\$ _____

Did you stay within your budget of \$20? ☐ Yes ☐ No

5. Compare Choices

Alex has \$15. Ben has \$15. Look at what they want to buy.

Alex	Ben
\$6	\$6
\$3	\$7
\$8	\$2

- Who will have money left? _____
- How much money will they have left? \$ _____
- Who will spend all their money? _____
- Why is it important to plan spending? _____

6. Save for Something Special

You want to buy a bike that costs \$45.

You save this money each week.

Week 1	Week 2	Week 3	Week 4	Week 5
\$10	\$10	\$10	\$10	\$10

- How much will you have saved after 5 weeks?
\$ _____
- Will you have enough to buy the bike? ☐ Yes ☐ No
- How much more do you need? \$ _____

7. Make Smart Choices

Look at the situations. Tick (✓) the smartest choice.

- You have \$5. You want a toy for \$6.
Ask for a loan ☐ Save more money ☐
- You have \$12. You can buy a game for \$11 or save it for something special.
Buy the game ☐ Save it ☐ Spend it all ☐
- You want a new book for \$8. You already have \$6.
Borrow one ☐ Wait and save ☐ Buy something else ☐

8. Think and Talk

- What is a budget?

- Why is it good to save money?

- How do you make a smart spending choice?

9. Create Your Own Budget

You have \$25. Plan how you will spend or save it. List or draw what you will do.

I will spend on: _____ _____ _____	I will save for: _____ _____ _____
How much will you spend? \$ _____	How much will you save? \$ _____
Did you stay within \$25? ☐ Yes ☐ No	

Learning Check

Colour the face that shows how you went.

I get it!

I'm getting there.

I need more help.

Parent / Teacher Observation

Your child can:

- ☐ Count money amounts.
- ☐ Choose items within a budget.
- ☐ Plan simple spending choices.
- ☐ Understand saving vs spending.
- ☐ Explain why choices matter.
- ☐ Make good decisions with money.

Notes: _____

Money Words

budget spend save
choose cost money
afford plan total
need want goal

Great job!

You are learning to plan and make smart choices with money!

Remember!

A good plan helps your money go further.

Plan your spending

Spend wisely

Save for goals

Make good choices

Feel proud

Well done!

You are becoming a money planner!
