Compare Simple Wants, Needs, and Choices

Step 2

Kindergarten /
Early Elementary

Today I am learning to compare simple wants, needs, and choices.

1. Needs or Wants?

Look at each picture. Circle NEED if it is something you need to live and be healthy.
Circle WANT if it is something nice to have.

- | | | |
|----|------|------|
| a) | NEED | WANT |
| b) | NEED | WANT |
| c) | NEED | WANT |
| d) | NEED | WANT |
| e) | NEED | WANT |

2. Sort the Pictures

Cut or draw lines to sort the pictures.

NEEDS
Things I must have

WANTS
Things I would like

3. Choose the Best Option

Circle the choice that is the best NEED.

- a) or
- b) or
- c) or

Why did you choose that?

4. Needs and Wants in Our Day

Look at the pictures. Write NEED or WANT under each one.

Needs help us live, learn, and be healthy.
Wants are extra things that make life fun.

5. Make a Choice

You have \$5 to spend. You can buy ONE item.
Colour the item you will choose and explain why.

I chose _____
because _____

6. Draw and Decide

Draw two things: one you NEED
and one you WANT.

Something I NEED

Something I WANT

Why is it a need or a want?

7. Family Choices

Look at the family choices. Tick the choice that shows a good decision.

- a) Buy a new toy ☐ or Buy food for dinner ☐
- b) Buy a video game ☐ or Pay the electricity bill ☐
- c) Buy candy ☐ or Buy school supplies ☐

Talk about your choices with someone at home.

8. Think and Talk

- a) What is the difference between a need and a want?

- b) Why do we need to think carefully before we spend?

- c) Can a want ever become a need? Give an example.

Learning Check

Colour the face that shows how you went.

I get it!

I'm getting there.

I need more help.

Parent / Teacher Observation

Your child can:

- ☐ Identify simple needs and wants.
- ☐ Make choices based on needs.
- ☐ Explain their choices.
- ☐ Talk about decisions in everyday life.

Notes: _____

Great work!

You are learning to make smart choices about needs and wants!

Remember!

Good choices help us:

stay healthy

learn

save money

help our family

Money Words

need want choice
spend save decide

Well done!

You are a smart decision maker!
