

Match Number Words to Groups

Today I am learning to match number names to groups.

An adult will read the number words aloud.

1. Let's Look

Listen and circle the correct group.

An adult says:

ONE

An adult says:

THREE

An adult says:

FIVE

2. Let's Match

Draw lines to match the number words to the groups.

ONE

TWO

THREE

FOUR

FIVE

3. Let's Think

Circle all the groups showing 4.

4. Challenge

Adult says... draw the dots.

Draw 2

Draw 4

Draw 5

My Learning Check

How did I go today?

I can do it!

Almost there!

I needed help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Matched spoken number names independently
- ☐ Needed prompts
- ☐ Recognised quantities confidently
- ☐ Demonstrated understanding verbally
