

Identify Numerals 0 to 10

Today I am learning to recognise numerals from 0 to 10.

1. Let's Look

Circle the matching numeral.

0

0

6

8

9

3

2

3

5

8

7

1

4

7

10

10

0

10

1

9

5

5

2

6

3

2. Let's Match

Draw lines to match the same numerals.

2

8

5

0

8

2

10

10

0

5

3. Let's Think

Circle all the numerals that are 4.

4

7

4

9

1

4

10

2

4. Challenge

Circle 0, 5 and 10.

10

My Learning Check

How did I go today?

I can do it!

Almost there!

I needed help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Identified numerals 0–10 independently
- ☐ Needed prompts
- ☐ Confused some numerals
- ☐ Demonstrated understanding verbally

Notes: _____
