

Count Objects to 10

★ Today I am learning to count objects accurately to 10.

1. Let's Look

Count the objects and circle the correct number.

2

3

4

5

5

6

7

8

7

8

9

10

8

9

10

6

4

5

2

3

2. Let's Match

Draw lines to match the groups to the numbers.

9

2

5

3. Let's Think

Circle all the groups that show 7.

4. Challenge

Count and draw the objects.

Draw 3

Draw 6

Draw 10

My Learning Check

How did I go today?

I can do it!

Almost there!

I needed help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Counted objects accurately to 10
- ☐ Used one-to-one counting
- ☐ Needed support
- ☐ Demonstrated understanding verbally
