

Compare Groups: More, Fewer or Same

★ Today I am learning to compare groups as more, fewer or same.

1. Let's Look

Look at each pair of groups. Tick whether the first group has more, fewer or the same as second group.

1.

		more ☐
		fewer ☐
		same ☐

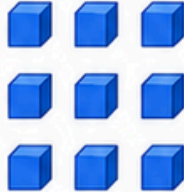

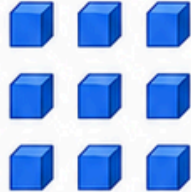

2.

		more ☐
		fewer ☐
		same ☐

3.

		more ☐
		fewer ☐
		same ☐

4.

		more ☐
		fewer ☐
		same ☐

5.

		more ☐
		fewer ☐
		same ☐

6.

		more ☐
		fewer ☐
		same ☐

7.

		more ☐
		fewer ☐
		same ☐

8.

		more ☐
		fewer ☐
		same ☐

2. Let's Match

Draw lines to match each comparison to the correct statement.

more than

fewer than

the same as

The first group and the second group have the same amount.

The first group has a smaller amount than the second group.

The first group has a larger amount than the second group.

My Learning Check

How did I go today?

I can do it!

Almost there!

I needed help.

This was hard.

Circle a face.

Parent Observation (optional)

- ☐ Compared groups confidently
- ☐ Used the words more, fewer and same
- ☐ Needed prompts
- ☐ Demonstrated understanding verbally
